

IV. 10X10

TROFEO INTER CLUBS

2025

THE 4TH 10x10 CUP PHOTOGRAPHY COMPETITION

The “10x10 Cup” International Photography Competition, held in Spain, was organized for the **fourth time** this year.

In the 2025 edition, a total of 15 photography clubs from Spain, Argentina, Chile, The Dominican Republic, Turkey, and South Korea took part. Each club competed with 10 photographs selected from their members.

The jury consisted of Gracia De La Hoz and Laura Prego from Spain, and Helen Hanafin from Ireland. After a careful and detailed evaluation, the Spanish club **Asociación Fotográfica Torrijos** achieved the highest overall score, becoming the champion of the 2025 10x10 Cup.

Another Spanish team, **Asemeyando**, ranked second, while **Sille Sanat Sarayı** from Turkey —winner of the previous three editions— placed third.

In the individual category, **Pedro Luis Ajuriaguerra Saiz**, a member of **Sille Sanat Sarayı**, won the **Individual Achievement Trophy** with his photograph “*Desiree*.”

The organizers expressed their hope that even more clubs will take part in the coming years.

The “10x10 Cup” continues to grow as an international platform where friendship, exchange, and artistic creativity come together.
